

REMARKS

The above-identified Office Action has been reviewed, and the Examiner's comments carefully weighed. In view thereof, the present Supplemental Amendment is submitted. It is contended that by the present amendment, all bases of objection set forth in the Office Action have been traversed and overcome. Accordingly, reconsideration and withdrawal of the objection is respectfully requested.

In the above amendments, the matter added to the paragraph [031] of the specification via the Amendment-B of June 14, 2006, has been deleted.

If the Examiner feels that further issues remain to be resolved after entry of the present amendment, applicant's undersigned representative would welcome a telephone call from the Examiner to discuss such issues, and to try and resolve same.

Respectfully submitted,
